Dear PFAE-Members,

Attached please find the invitation for our Paso Fino show „Isi & Fino“ which takes place May 01-03, 2015 at the venue of Veronika and Sebastian Frisch, Icelandic farm Lechleite. Also attached you find a list of accomodation in Friedberg (Bavaria) as well as the actual PFAE-class entrie form.

All those information can also be downloaded from www.pfae.org „Showing“. Please note that there are several updates in the Show Rule Book dated February 2015. The changes are marked in red letters.

For any questions you can either contact me by e-mail (britta.fino@pfae.org) or by phone on +49 – (0)173-748 36 38.

Together with the responsible person PFAE Youth, Alex Rau, we would like to offer something new for our Youth riders at the show. On Saturday there will be a possibility for a training session with Stan Paul (www.pasofinotraining.de). Youth riders up to 18 years old can get some practice in riding a class in a show atmosphere under the guidance of a Paso Fino Trainer. More details about this training session will follow.

Whoever interested can note down Saturday, May 02, 2015 or inform Alex Rau (alex.rau@pfae.org).

The traditional show of the Islandics on the beautiful venue Lechleichte is well known for its good atmosphere and many spectators. We are glad that this year the Paso Finos are invited to be part of this show and we hope that many of you will participate.

With best regards,

Britta Mülle
